GENERAL NOTES:
 1. All natural water drainageways shall not be changed or altered in any way except as approved by the Pima County Board of Supervisors.
 2. Fifteen foot gas line easements are hereon dedicated along all subdivision boundary lines and 7'-6" gas line easements are dedicated along each side of all other lot lines except road right of way lines. Easements are hereon dedicated for power and telephone utilities subject only to the approval of the subdividers. After such routes serving any particular lot, and all contiguous lots are established, 7'-6" easements shall be retained on each side of the center lines of such utilities, plus that additional easement necessary for maintaining such utilities (i.e. down gas and anchors for utility poles) and the balance of the power and telephone utility easement rights are automatically vacated. Fifteen foot water line easements are hereon dedicated along all subdivision boundary lines and 1-foot right of way lines and 15-foot water line easements are dedicated along each side of all other lot lines.
